

The Alarming Truth Behind Inflation, Artificial Intelligence and the Trump Presidency

Those who want to rule the world want to:

- **Depopulate the world**
- **Destroy all nations' economies**
- **Eliminate our freedom**

Safeguard you and your loved ones!

You know something is terribly wrong.

It's time to stop
sleepwalking and
**WAKE UP
NOW!**

Before It's too late

The destructive response to COVID-19 by political leaders, the media, and big pharma was not a mistake. Powerful elites planned long ago and launched COVID-19 and will soon force us to take dangerous mRNA “vaccines” to supposedly cure cancer. They want to ruin the economy and reduce the population through “vaccines,” terrorist and cyber attacks, and wars.

Protect your loved ones

Why do people keep watching and listening to lying:

- **Mainstream media news reporters who only care about their popularity and bank accounts and are paid huge salaries to convincingly lie,**
- **Conceited power-hungry politicians who couldn't care less about you, and**
- **Wealthy bankers and obsessed corporate billionaires who want to rob your wealth and keep everything for themselves?**

Stop listening to them!

Our Enemies: Elite Bankers, Powerful Corporate Leaders, The Mainstream Media, and Most Politicians

Your adversaries are not those who oppose your political beliefs or the “unvaccinated.” Rather, they consist of rich corrupt bankers, multinational corporate leaders, and federal and state governments

(most elected representatives and appointed officials). These people own the mainstream media (including popular social media) and use it to scare us, lie, and spread propaganda. To distract us from realizing their goals, they keep us arguing with each other, which, if realized, would cause public outrage.

They call themselves the **Super Elite** and refer to us as **useless eaters** because they think we are wasting the earth’s resources and need to be controlled. We refer to them as the **Satanic Cult** because they all belong to this horrific religion (Satanism). ***This cult keeps their religion and intentions concealed by requiring members to take oaths to never reveal the Cult’s secrets. When members violate their oaths, the penalty is death, which the cult leaders usually enforce.***

Many Satanists are child traffickers and pedophiles. They kidnap children and perform sick Satanic rituals in which they rape and sometimes murder children. Millions of children go missing every year. Unfortunately, most end up in the hands of Satanists. **We must stop these awful crimes!**

<https://wakeupfully.org>

How did these Satanists Become so powerful?

The Satanic cult gained their power through a corrupt banking system that we have had to endure since 1864, when President Lincoln was forced to sign national banking acts to receive the loans necessary to shorten the Civil War. These acts gave corrupt bankers tremendous authority and the opportunity to generate great wealth. Then in 1913, Congress passed the *Federal Reserve Act*, which enabled the Satanists to accelerate their wealth beyond imagination.

We never were taught in school how our banking system works. As a result, most people cannot answer the following questions. Can you? ***Who creates our money and how is it created? What is a debt-based banking system? What is fractional reserve banking? How are recessions, depressions, and inflation scientifically created? How is a national debt created and what is the solution? Why is who creates our money more important than what backs it?***

For answers to these questions, go to the homepage <https://wakeupfully.org> and watch “Jekyll Island, The Truth behind the Federal Reserve.”

Members of the Global Satanic Cult

The Elite power structure is a top-down construct with an extremely small number at the top. The foremost includes the wealthiest world banking families and a handful of other filthy rich oligarchs who remain in the shadows. The top banking families include the Rothschilds of Europe and the Rockefellers in America. These elites gained such incredible wealth through a corrupt banking system and oil industry that they literally own and control everything. The Elite also include:

The World Economic Forum
United Nations and its agencies' leaders
Freemasons (High degree members)
Bank of International Settlements
European royalty
Hospital corporate chain leaders

The Trilateral Commission
The European (Union) Parliament
Media top execs & highest paid reporters
Largest investment companies top execs
Leadership of branches of governments
The World Health Organization
Most Hollywood execs and celebrities
The International Monetary Fund
National central bank boards of directors
Medical association leaders
Vaccine/pharma manufacturers' top execs
The Club of Rome
The Bilderberg Group
Worldwide political leaders
Heads of political parties
Fortune 500 corporate leaders
Council on Foreign Relations
Many secret societies

Among Elite members also include public spokespersons such as Bill Gates; Tony Fauci; Klaus Schwab; George Soros; Elon Musk; Mark Zuckerberg; the late Henry Kissinger; Bill Clinton; Donald Trump; Jeff Bezos; Rochelle Walensky; Larry Ellison; Larry Fink; Peter Thiel; Tim Cook; and other former heads of state, and central bank spokespersons

The Satanic Cult Plan

The Satanists created the COVID “vaccinations” for two reasons: 1) to eventually cause diseases that will cause early deaths, and 2) to hookup our brains to **the cloud** through **Neuralink** so the Cult can read and control our thoughts and surveil us 24/7. They will soon mandate a test they deceptively claim will detect cancer before tumors even exist. Those who test positive will be forced to take dangerous mRNA shots under the penalty of having their health insurance cancelled if they refuse the jabs. Discuss taking the test and shots with your doctor before making your decision.

The Satanists want to establish a third world war, cause civil unrest, and unleash terrorist attacks within Western nations’ borders.

The Satanists want to create unprecedented inflation and food shortages caused by tariffs, carbon taxes, and cyberattacks

The Satanic Plan (part 2)

(EMPs). They aim for us to surrender our freedom and beg our political leaders to protect us in exchange for our acquiescence and their control. Our future will include mandates and lies about viruses and climate change to destroy our economy and establish a

worldwide police state. The Cult is striving for extensive depopulation and complete control over survivors.

The Satanic Cult plans to implement an artificial intelligence (AI) surveillance system that will dictate everything we do every second of the day. A ***social credit system*** based on ***central bank or government digital currencies*** will replace

our crashed monetary system and destroy freedom. They want to coerce us into compliance with Draconian laws that continuously worsen through 24/7 surveillance and social credit scoring that will force obedience to your government. **No political leaders will stop this.**

The Satanic Plan (part 3)

The Satanists want to increase infertility and shorten our lives. They are poisoning us with electromagnetic radiation (5G and soon 6G), GMO foods, toxins in our water, and spraying our skies with dangerous chemicals that cause unusual weather changes, fires, and floods. The Satanic Cult also wants to unleash cyber or electromagnetic pulse (EMP) attacks to destroy power grids, thus causing us to beg our governments for help. Governments, however, will use these as opportunities to implement further restrictions.

The spraying of the skies is partially for weather control. They manipulate the weather to make us believe we are nearing a climate change catastrophe, which is not true. Their planned scare tactics have led to increased taxes and surveillance and are robbing us of our God-given rights.

The Satanic Plan (part 4)

Klaus Schwab: Founder and first chairman of the World Economic Forum

The Satanic Cult is on course to destroy Western civilization. They want to coerce us into a world economic and political order called the Great Reset under the United Nations and World Economic Forum (WEF). All of this would hoodwink us into their sustainable development agenda without bothering to clean up the environment, including from the dangers of electromagnetic radiation.

The Satanists want to destroy free-market capitalism, eliminate travel, and abolish private ownership of everything through strict government control. All would be under the guise of public safety and saving the planet through lies about climate change. (Carbon taxes will make travel unaffordable.) They plan to own everything while leaving us with ownership of nothing.

Are You Aware of the World Economic Forum's Corruption?

Klaus Schwab: Founder of the World Economic Forum

**Do you know what their plan are for you
and your loved ones?**

It's not very pretty

The Satanic World Economic Forum (WEF) controls almost all governments, including ours, and the mainstream media, which encompasses the most popular social media. The goal of the WEF is to replace elections with WEF-appointed rulers and establish a global technocratic dictatorship that will be worse than communism or fascism. The WEF wants to control all information on the Internet and install 24/7 surveillance that will record every thought, emotion, and dream you have. The WEF plans to establish a world where people have no rights, privacy, or private possessions. **This is the official WEF agenda, and all it will take is one more major world catastrophic event that they will create, and the WEF will launch their plan.**

Don't believe it? **They** will tell you their plans in this video. Protect you and your loved ones.
